Jesús Brian Daconte Novoa

Technical SEO & Web Development Specialist

5+ years as educator-developer · Santa Marta, Colombia

PROFILE

I rebuild slow websites into ultra-fast **90+ PageSpeed** experiences: Core Web Vitals, Schema Markup, HTML hierarchy and mobile-first design. Full-stack background in **WordPress, HTML, CSS, JavaScript, PHP and SQL**, with modern development in **Astro and Capacitor**. I use AI (Gemini, MCPs) as a tool to automate audits 10× faster.
